Poster, I. T., Dec. 2.—The weather is getting to remind us that winter will soon be on.

Health is very good. The roads are getting in better condition since the rain has let up. Cotton is about all gathered. The late rains destroyed considerable cotton in the fields.

Deputies Clemens and Jackson inspected the gambling hall here yesterday, finding everything in bad condition they condemned the whole business and proceeded to pile the furniture in the street and applied the torch which was almost as spectacular as a raid from Carrie Nation.

The postoffice at this place was broken into Monday night, Nov. 24, and \$58.50 worth of stamps taken. The entrance was made by breaking through a rear window. No clue was left to trace from.

O. Eads and family left last Saturday. They will visit a few days at Brumby, Greenwood and Decatur, Tex., after which they will probably go to Crockett county.

The box supper last Friday night was quite a success. There was a large crowd and everybody enjoyed a good time. The receipts for the night were \$34, which was applied to the building fund.

J. M. Hunter came in Saturday from Pauls Valley, where he has been serving on the jury.

Our school is progressing nicely. There are fifty now enrolled, with a good attendance.

There is more catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proved catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from ten drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. F. J. CHENEY & CO., Toledo, O.

Sold by all druggists 75c. Hall's Family Pills are the best.

Dixie, I. T., Dec. 21.—The weather clerk gave us a touch of winter the last few days which has been appreciated by many.

The rain changing branches into rivers left us without mail. We have had two mails in a week.

Prof. Young had singing at the school house yesterday which was enjoyed by all present. Come again.

Mr. Bryant, who has been very sick, we are glad to report, is improving. Also Mrs. Willie McIlvain is reported better.

Mr. Johnson has been very sick but is up again now.

We hear some complaint about cattle dying in our community.

Coughs, Colds and Consumption. Few people realize when taking cough medicines other than Foley's Honey and Tar, that they contain opiates which are constipating besides being unsafe, particularly for children. Foley's Honey and Tar contains no opiates, is safe and sure and will not constipate. Bonner & Bonner.

What's in a Name.

Everything is in the name when it comes to Witch Hazel salve. E. C. DeWitt & Co. of Chicago discovered, some years ago, how to make a salve from witch hazel that is a specific for piles, for blind, bleeding, itching, and protruding piles, eczema, cuts, burns, bruises and all skin diseases. DeWitt's salve has no equal. This has given rise to numerous worthless counterfeits. Ask for DeWitt's—the genuine. City Drug Store.

Boy's Life Saved From Membranous Croup.

C. W. Lynch, a prominent citizen of Winchester, Ind., writes: "My little boy had a severe attack of membranous croup, and only got relief after taking Foley's Honey and Tar. He got relief after taking one dose and I feel that it saved the life of the boy." Bonner & Bonner.
